## Best-Test® Premium Paper Cement

Since 1923, Best-Test® Paper Cement has been made in only one way, with a specially-blended and treated formula which uses premium white rubber imported from the Far East. Best-Test Paper Cement is the overwhelming choice of commercial and fine artists, crafters and teachers. Unlike multi-purpose glues, Best-Test Paper Cement will not shrink or wrinkle the paper when adhering. It's a true adhesive. Dries fast and clear. Easy to apply and easy to clean up! Ideal for mounting, paper crafts, leatherwork, scrapbooking and more. Acid-free.
