

String Printing

Unpredictable fun with string and paint! Great for all ages from tots to adults.

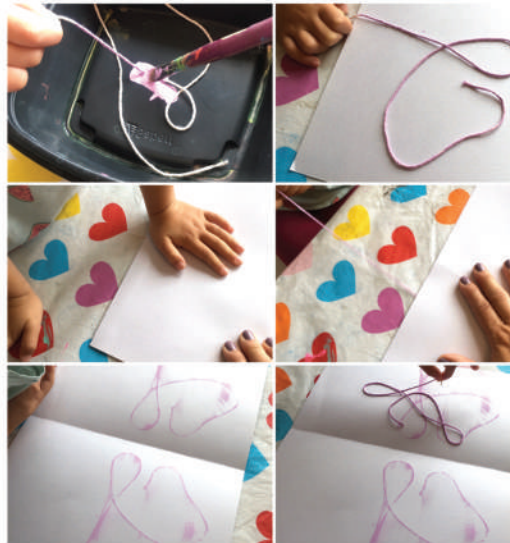

You'll need:
Paper
Paint or ink
String
Dish
Paintbrush

Instructions

Fold paper in half and reopen
Cover string with paint or ink
Loop string onto one half of paper,
leaving tail hanging off edge
Fold paper, press and hold down
Pull out string
Unfold and behold
Do it again

Experiment:

Try different string or yarn
Try different inks or paints
Try pulling your string in different directions

We loved the effect of Japanese calligraphy ink on mulberry paper
