**Coates**

# WILLOW CHARCOAL STICKS

Coates Willow Charcoal possesses a velvety smooth stroke and a rich, deep, black hue unique from any other willow charcoal on the market. This superior result springs from the ideal environment from which the willow is harvested combined with the mastery of cultivation employed by Coates, honed over the two centuries. Coates Willow Charcoal is sorted by diameter in its natural shape and is available in thin, medium, thick, extra thick and tree stick sizes.

	Thickness	Sticks per Box
<b>1 #2001</b>	Thin	10
<b>2 #2002</b>	Medium	6
<b>3 #2003</b>	Thick	3
<b>#1001</b>	Thin	25
<b>#1002</b>	Medium	25
<b>#1003</b>	Thick	12
<b>#1004</b>	Assorted Thicknesses	30
<b>#1005</b>	Extra Thick	4
<b>#1006</b>	Scene Painters	12
<b>#1007</b>	Tree Stick	1
<b>#1008</b>	Assorted 4mm-10mm	20
