SILICOIL™ BRUSH CLEANING TANK

For over 70 years, Silicoil has been the gold standard for artists who want to maintain their brushes safely and effectively. The secret lies in Silicoil's innovative design; the smooth aluminum coil gently removes paint residue, keeping your bristles pliable and undamaged for a multitude of uses. The aluminum coil's surface effectively separates brush hairs, ensuring a thorough clean without harming the delicate fibers.

- Heavy glass jar holds 12oz of water or solvent
- Pairs beautifully with Pink Soap™
- Designed for all paint types
- Made in USA
